3D Wayne Printable

***Wayne***  
***code name: Little Drummer Boy***

## 3D Wayne Printable

### Instructions:

1. Print out the pages on regular paper or cardstock and cut out all of the pieces.
2. Use a craft knife to cut the slits indicated in yellow on Wayne's coat.
3. Line up the back of Wayne's head with the front of his face and glue the pieces together so the design is two-sided.
4. Make all of the folds in Wayne's coat away from you. Tuck the tab inside the long slit along his side.
5. Fold his legs outward and his knees down.
6. Fold the top of his outfit behind his head like a box and tuck the tab inside.
7. Fold and glue each arm so that the design is two-sided. Make sure the pieces are lined up exactly before the glue dries.
8. Slide his arm tabs into the slits on his sides and you are finished!
