Instructions

1. Print the Stitch Holiday Tree Topper on cardstock and cut out the pieces.
2. Secure the three palm trees behind the jungle scene using glue or double-sided tape.
3. Attach Stitch to the front of the jungle scene between the presents. To create dimension, roll a few pieces of regular tape and use them to attach Stitch.
4. Secure one end of the extender to tab A and the other end to tab B, making sure the green side faces outward.
5. Slip the Stitch Holiday Tree Topper onto your tree.
